

**REMARKS/ARGUMENTS**

Reconsideration of this application in light of the above amendments is courteously solicited.

Applicant has rewritten indicated allowable claims 5 and 6 as new independent claims 13 and 14, respectively. Claim 12 has previously been indicated allowable. The dependencies of dependent claims 2-4 and 7-10 have been amended so as to depend from one of claims 13 and 14. In light of the foregoing amendments, it is submitted that all of the claims as pending are in condition for allowance and an early indication of same is respectfully requested.

An earnest and thorough attempt has been made by the undersigned to resolve the outstanding issues in this case and place same in condition for allowance. If the Examiner has any questions or feels that a telephone or personal interview would be helpful in resolving any outstanding issues which remain in this application after consideration of this amendment, the Examiner is courteously invited to telephone the undersigned and the same would be gratefully appreciated.

It is submitted that the claims as amended herein patentably define over the art relied on by the Examiner and early allowance of same is courteously solicited.

If any fees are required in connection with this case, it  
is respectfully requested that they be charged to Deposit  
Account No. 02-0184.

Respectfully submitted,

Walter Baltensperger
